

Teen Talent (A2)

TEEN TALENT

Student Age

11 to 15 years

Vocabulary Learned

3000 words

Number of Lessons

72 lessons

Lesson Length

90 minutes

Students learn to open their minds, think and develop, in English. The course vocabulary and grammar correspond the Common European Framework of Reference for A2 level.

In *(country name)*, audio tracks are downloaded online.

Teen Talent is based upon a story of a group of teens and their dream to become famous. Rock stars, saving the planet, and holiday travel are just some of the topics covered in the songs, stories and activities in this course.

Each unit consists of two episodes that students hear on the CDs then read in class. The stories are filled with suspense, humour and, interesting facts while bringing out important values which elicit higher level discussions.
